

Shoulder Reconstruction Advanced Course Instability & Superior Capsular Reconstruction

Programme

Chairman: Dr Stijn Muermans, AZ.DELTA, Roeselare, Belgium
Smith & Nephew Expert Connect Centre, Croxley Park, UK

14-15 March, 2018

Description

From soft tissue removal, repair of the shoulder instability through reconstruction of the superior capsule, the Smith & Nephew Advanced Shoulder Arthroscopy program blends classroom learning with case discussion and hands-on experience in a state of the art facility.

This course has been specifically designed to address the more challenging aspects of arthroscopic repair.

Participants will hear lectures on current concepts, be encouraged to engage in debate, and perform advanced techniques in the wet lab. Participants can expect to leave the course with fresh ideas to take back to the operating room.

Wednesday, 14th March
